## GOVERNMENT STUDENT FINANCIAL ASSISTANCE

In Canada, student financial assistance (student loans and grants) is available from the federal and provincial/territorial governments. There are two main forms of assistance available: loans and grants. Student loans must be paid back whereas grants, in most cases, do not need to be repaid.

**You apply for government student assistance in your home province, even if you are planning to study in another province.** Government student assistance is intended to help you pay for your education. The amount of assistance available will depend on your personal and family situation and can only be determined after you have submitted an application. Find more information about Government Student Financial Assistance here: <https://www.canada.ca/en/services/benefits/education/student-aid/grants-loans.html>

## FEDERATED COLLEGE AWARDS

Students who are enrolled through Champion College, First Nations University of Canada, or Luther College are eligible to apply for extra awards administered by their Federated College. These awards can be combined with the awards from the University of Regina. Each Federated College has information on their website about how to apply, in addition to their award application deadlines.
